Continue your participation and take part in the Board's large-scale economic development roundtable. This meeting will be a great way for you to go home having had the opportunity to discuss solutions and take ideas home to implement. Please come prepared to very briefly discuss the following questions:

1. How is your community/port/organization doing?
2. What are you doing in response?
3. What is working and what isn't?

### UPCOMING PNWA EVENTS

**2009 Annual Meeting - Celebrating 75 Years**  
**October 13-15, 2009**  
**Hilton Vancouver Washington**  
**Online registration opens August 15, 2009**

Join us in Vancouver, Washington as we continue to celebrate PNWA's 75th Anniversary! We will provide another thought provoking agenda to guide your organization's growth for years to come, and leave you feeling inspired and ready to confront the challenges facing your community.

**2010 Mission to Washington, DC**  
**The Madison Hotel, Washington DC**  
**February 27 - March 4, 2010**  
**Online registration opens December 10, 2010**

As we continue to face challenging times, the PNWA membership needs to provide a unified voice in support of navigation in the Northwest. The Mission to Washington is one extremely powerful way to do that. Make your voice heard as we meet with federal agency officials, leadership in DC, and every member of the Northwest Congressional delegation. Make your plans to participate today!
