## News flash! FY2019 Corps funding sails through Congress

The FY2019 Energy and Water Development Appropriations bill has passed both the House and Senate and is now headed to the President's desk. This is a very positive development, and marks the first time since 2009 that the Corps will receive their annual funding on time.

PNWA provided detail on the legislation in our [Nor'wester earlier this week](#), and noted that the agency is supported at a record \$6.99 billion including very robust "additional funding" for which the Corps will have 60 days to develop a workplan. PNWA is continuing to ensure that our Northwest Congressional delegation and the Administration have the information they need to support our regional projects in this process. If you have any questions, please contact [Heather Stebbings](#).
